

Lunar New Year auction of vehicle registration marks to be held on February 12

The Transport Department today (January 20) announced that the Lunar New Year auction of vehicle registration marks would be held on February 12 (Sunday), at Meeting Room S421, L4, Hong Kong Convention and Exhibition Centre, Wan Chai.

A total of 45 vehicle registration marks will be put up for public auction. Forty-three of them are traditional vehicle registration marks (TVRMs) and two of them are personalised vehicle registration marks (PVRMs). The list of marks has been posted at the department's website, www.td.gov.hk , a department spokesman said.

People who wish to participate in the bidding at the auction should take note of the following important points:

(a) Successful bidders are required to produce the following documents for completion of registration and payment procedures immediately after the successful bidding:

- (i) the identity document of the successful bidder;
- (ii) the identity document of the purchaser if it is different from the successful bidder;
- (iii) a copy of the certificate of incorporation if the purchaser is a body corporate; and
- (iv) crossed cheque made payable to "The Government of the Hong Kong Special Administrative Region" or "The Government of the HKSAR". Any bidders who wish to bid for both the traditional vehicle registration mark and personalised vehicle registration mark should bring at least two crossed cheques for payment of auction prices. (For an auctioned mark paid for by cheque, the first three working days after the date of auction will be required for cheque clearance confirmation before processing of the application for mark assignment can be completed.) Bidders may also pay through the Easy Pay System (EPS), but are reminded to note the maximum transfer amount in the same day of the payment card. Payment by post-dated cheque, cash, credit card or other methods will not be accepted.

(b) Purchasers must make payment of the purchase price by crossed cheque or EPS and complete the Memorandum of Sale of Registration Mark or Memorandum of Sale of Personalised Vehicle Registration Mark immediately after the bidding. Subsequent alteration of the particulars in the Memorandum will not be permitted.

(c) A registration mark can only be assigned to a motor vehicle which is registered in the name of the purchaser. The Certificate of Incorporation must be produced immediately by the purchaser if a vehicle registration mark purchased is to be registered under the name of a body corporate.

(d) Special registration marks are non-transferable. Where the ownership of a motor vehicle with a special registration mark is transferred, the allocation of the special registration mark shall be cancelled.

(e) The display of a registration mark on a motor vehicle should be in compliance with the requirements stipulated in Schedule 4 to the Road Traffic (Registration and Licensing of Vehicles) Regulations.

(f) Any change to the arrangement of letters, numerals and blank spaces of a PVRM, i.e. single and two rows as auctioned, will not be allowed.

(g) The purchaser shall, within 12 months after the date of auction, apply to the Commissioner for Transport for the registration mark to be assigned to a motor vehicle registered in the name of the purchaser. If the purchaser fails to assign the registration mark within 12 months, allocation of the registration mark will be cancelled and arranged for re-allocation in accordance with the statutory provision without prior notice to the purchaser.
