

1 *What is a Personalized Vehicle Registration Mark*

- A personalized vehicle registration mark shall consist of not more than 8 letters/numerals; or any combination of letters and numerals the total of which shall not exceed 8; "I", "O" and "Q" are not allowed; a blank space will be counted as a character; more than one blank space is allowed in a personalized vehicle registration mark but there shall be not more than one blank space between any 2 letters or numerals, or between a letter and a numeral;
- There shall be no more than 4 identical letters or numerals placed together side by side in a personalized vehicle registration mark;
- A personalized vehicle registration mark may be displayed in a single row or in 2 rows, and the display must be in accordance with the approved format(s). If it is displayed in 2 rows, the maximum number of letters, numerals and/or blank spaces in each row is 4; and
- Personalized vehicle registration mark combinations must not duplicate existing vehicle registration marks or be of similar pattern to existing forms of vehicle registration marks or permit/licence numbers and they must not duplicate the registration marks reserved for certain vehicles.
