(IV) Removal of Illegal Parking Vehicles

Any vehicle found illegally parked within the precinct of the special traffic arrangements as specified above might be towed away by the Police without prior notice.

(V) Attention and Appeals

Appropriate temporary traffic signs will be erected on site to guide motorists. The public transport operators will display notices to advise passengers of the above arrangements.

Members of the public are advised to plan their routes early, use railway services as far as possible and allow more travelling time to cater for unexpected delay. Commuters are advised to pay attention to the arrangements of route diversions and suspension / relocation of stops.

Motorists are advised not to drive to the above affected areas unless really necessary and should exercise tolerance and patience in case of traffic congestion and follow instructions given by the Police.

Depending on the prevailing circumstances, other ad-hoc traffic and public transport measures, including further closures of roads, traffic diversion, alterations and suspension of public transport services, may be introduced by the Police at short notice. Members of the public are advised to watch out for the latest traffic news on radio and television. For the details of the special traffic and transport information, members of the public may call 1823 Call Centre or browse Transport Department website at www.td.gov.hk.
