III. Attention and Appeal

Appropriate traffic signs will be erected on site to guide motorists. Public transport operators will display notices to advise passengers of the above temporary arrangements. Motorists are advised that any vehicles found illegally parked within the precincts of the above affected areas will be towed away without prior notice. Actual implementation of the road closure, traffic control and public transport diversions will be made by the Police at the time depending on the prevailing circumstances, traffic and crowd conditions in the areas.

Concert participants are advised to use the free shuttle bus and ferry services provided by the organizer (For details please visit: <https://elf-asia.eventbrite.com>). Members of the public please call 1823 or visit Transport Department web-page www.td.gov.hk to obtain the details of the special traffic and transport arrangements.

At the same time, members of the public should pay attention to the road closures, traffic diversions and special transport arrangements in the above areas at Kai Tak and Kowloon Bay. They are advised

to plan their journey early and allow more travelling time to cater for unexpected delay. Members of the public should exercise tolerance and patience in case of traffic congestion, take heed of instruction of the Police and watch out for the latest traffic news through media. Public transport commuters should pay attention to the arrangements of route diversions and suspension of stops. Motorists are advised to avoid driving to the above affected areas.

Taxi and public light bus drivers who will go to Cheung Yip Street for refilling are advised to take note of the road closures and traffic diversion arrangements implemented surrounding that area.
