

Topic : Bus Route Rationalization

Kid : Don't get stuck in traffic. Daddy, come home early, please!

Female Jogger : Fresher air, please!

Male : More choices of interchange routes, please!

MVO : Sure!  
Railway network expansion and bus route rationalisation will help.  
The benefits can be seen right away!  
Smoother traffic  
Better roadside air quality  
More interchange routes  
and improved transport network efficiency

Super : Smoother traffic  
Better roadside air quality  
Better transport network efficiency

MVO : At first, you may need to make adjustments  
Your cooperation is vital to bring benefits to all

Office Lady: It's for everyone's benefit, so I am all for it

Super : Bus Route Rationalisation:  
Your cooperation is vital to bring benefits to all
