Important Notice

Annual Licence Fee Structure for Electric Private Cars

1. With effect from 1 Nov 2025 onwards, the vehicle licence (VL) fees for electric private cars have been calculated based on their rated power. The adjustment for the licence fees concerned will take place by phases until 2030.The adjusted annual licence fees are applicable to renewal of VLs which expire on or after 1 March 2027, or renewal of VLs submitted on or after 1 March 2027. Please refer to the website of the Transport Department for the annual licence fee expiring on or before 28 February 2027.

2. The new fee structure is only applicable to pure electric private cars solely propelled by electric motor(s) without exhaust emission, and do not include any type of hybrid private cars.
