Any vehicles found illegally parked within the precinct of the special traffic arrangements specified above will be towed away by the Police without prior notice.

**V. Attention and Appeal**

Appropriate traffic signs will be erected to guide motorists. Public transport operators will display notices at the stops and inside vehicle compartments to advise passengers of the above temporary arrangements. Actual implementation of and adjustments to road closures, traffic controls and public transport diversions will be made by the Police at the time depending on conditions in the areas.

The Transport Department anticipates that the traffic in the vicinity of Causeway Bay will be significantly congested. Members of the public who plan to go to the affected areas are advised to use public transport services as far as possible. Motorists are advised to avoid driving to the affected areas and should exercise tolerance and patience in case of traffic

congestion, follow the instruction given by the Police, and watch out for the latest traffic news through the media.

For enquiries on special traffic and transport arrangements, members of the public can call 1823 or browse through Transport Department website [www.td.gov.hk](http://www.td.gov.hk) for more details.
