The public transport operators would enhance the services plying for boundary control points subject to passenger demand. Members of the public can enquire about the details from relevant public transport operators.

(ii) Cross-boundary Coach Service

Cross-boundary Coach Temporary Stop Arrangements

On 31 December 2025, the en-route stop of short-haul cross-boundary coach service from Jordan to Huanggang Port (northbound) at China Ferry Terminal Bus Terminus will extend service hour till 2.30 am the following day.

Apart from the above-mentioned short-haul cross-boundary coach service temporary stop arrangement, temporary bus stop arrangements and service adjustments may be implemented for other cross-boundary coach services in connection with the road closure arrangements. Members of the public can enquire about the details from relevant cross-boundary coach operators.

Service Enhancements

In response to the 24-hour passenger clearance service at the Shenzhen Bay Port from 6.30 am on 31 December 2025 to 12.00 midnight on 2 January 2026, cross-boundary coach operators will arrange additional overnight cross-boundary coach services via the Shenzhen Bay Port at stopping points in urban areas (including Prince Edward, Jordan and Wan Chai etc.) during the small hours on 1 January 2026. Members of the public can enquire about the details from relevant cross-boundary coach operators.

Short-haul cross-boundary coach services plying between Huanggang Port and major stopping points in urban areas (such as Prince Edward, Jordan and Wan Chai etc.) will also be enhanced subject to passenger demand during New Year's Eve and New Year holiday. Members of the public can enquire about the details from relevant cross-boundary coach operators.

#### **(F) Central to Mid-Levels Escalator and Walkway System Services**

The operating hours of Central to Mid-Levels Escalator and Walkway System on 31 December 2025 will be extended to 3.00 am of the following day.

### **III. Attention and Appeal**

Appropriate traffic signs will be erected to guide motorists. Notices will also be displayed by public transport operators to advise passengers of the above temporary public transport arrangements. Adjustment of the above road closures and traffic diversions, or other ad-hoc traffic and public transport measures, including further closures of roads, traffic diversions, alterations and suspension of public transport services, will be implemented by the Police depending on the crowd and traffic condition in the areas.

As road closure and traffic diversion will be implemented at different times in different locations, members of the public are advised to avoid driving to the affected areas. In case of traffic congestion, motorists should exercise tolerance and patience, and follow the instructions of the Police. Any vehicle found illegally parked within the precinct of the special traffic arrangements as specified above might be towed away by the Police without prior notice.

Members of the public who intend to go to the affected areas are advised to use public transport services as far as possible, plan their journey early and allow more traveling time to cater for unexpected delay. Bus and green minibus passengers are also advised to pay attention to the route diversions and temporary stop arrangements.

Members of the public are advised to watch out for the latest traffic news through radio and television broadcasts. For the details of the special traffic and transport arrangements, members of the public may browse Transport Department website at [www.td.gov.hk](http://www.td.gov.hk) or make use of the "HKeMobility" mobile application of Transport Department.

### **IV. Special Appeal of Special Boundary-Crossing Arrangements and Associated Public Transport Services**

On 31 December 2025, after the last departures of East Rail Line heading to Lo Wu and Lok Ma Chau, subsequent departures will be terminated at Sheung Shui Station. Members of the public and travellers on East Rail Line who wish to go to Shenzhen after the last departure to Lo Wu and Lok Ma Chau, are advised to take KMB route no. N73 to Lok Ma Chau (San Tin) Public Transport Interchange at Sheung Shui Station, then interchange to Lok Ma Chau – Huanggang Cross-boundary Shuttle Bus Service to travel to Huanggang Port via Lok Ma Chau

Control Point.

Members of the public are advised to pay attention to the details of the public transport services concerned and plan their journeys ahead. They may contact the relevant public transport operators for assistance, if needed.

The Transport Department anticipates that there may be a number of cross-boundary passengers using public transport services to travel via the relevant land boundary control points (i.e. Lo Wu, Lok Ma Chau, Shenzhen Bay and Hong Kong-Zhuhai-Macao Bridge Hong Kong Port) during the small hours of 1 January 2026. As the waiting time for public transport services may be longer, passengers should observe order and heed advice from the on-site Police and staff of the concerned public transport service operators. Cross-boundary coach passengers are also advised to plan their journeys and reserve coach tickets ahead.

During the mentioned period, there may be special traffic arrangements implemented for Lok Ma Chau Control Point and Shenzhen Bay Port to facilitate smooth access of public transport vehicles above control points.

For details of special boundary-crossing arrangements for New Year's Eve and New Year Holiday and the associated public transport services, the members of public may visit Transport Department's website at [www.td.gov.hk](http://www.td.gov.hk) and Government Press Release.
