IV. REMOVAL OF ILLEGAL PARKED VEHICLES

Any vehicles found illegally parked within the areas of the special traffic arrangements specified above may be towed away by the Police without prior notice.

V. ATTENTION AND APPEAL

Members of the public should pay particular attention to the temporary road closures, traffic control and public transport arrangements on that day as follows:

- In view of the temporary closure of the Hong Kong-Zhuhai-Macao Bridge and the Hong Kong Port during the race, passengers are advised to use other boundary control points to travel to and from the Chinese Mainland.
- Due to rolling roadblocks on North Lantau Highway and Penny's Bay Highway, the TD anticipates that traffic in the Airport, the North Lantau Highway, Lantau Link, Airport Road and Chek Lap Kok Road will be more busy when compared with normal Saturdays.
- Members of the public and tourists planning to go to Hong Kong International Airport or Hong Kong Disneyland are advised to use railway services as far as possible.
- Motorists are advised to avoid driving to the affected areas, and in case of traffic congestion, motorists should exercise patience and drive with care, and follow the instructions of the Police on site.
- Journey time of bus services (including "A" and "E" routes) between Airport/North Lantau and Urban/New Territories Areas will be increased, then it may affect the regularity of the bus services from Urban/New Territories Areas to / from Airport/North Lantau. Passengers should allow more travelling time for their journey between Airport/North Lantau and Urban/New Territories.
- Appropriate traffic signs and traffic aids will be erected to guide motorists.
- Notices will be displayed by public transport operators to advise passengers of the above temporary traffic and transport arrangements. Actual road closure time will depend on actual finishing time of the event, and complete clearance for safe re-opening of roads to vehicular traffic.
- The TD and the Police will closely monitor the traffic situation. Other temporary road and traffic control measures, including adjusting the extent of road closure, and alteration or suspension of public transport services may be implemented by the Police at short notice depending on the actual traffic conditions. Members of the public are advised to stay alert to the latest traffic news through the media, or may browse the TD's website (www.td.gov.hk) or mobile application "HKeMobility" for information about the special traffic and transport information, or may also browse relevant public transport operators' website or mobile application for details of service changes.
