6. Public Observation Deck

The observation deck of Wan Chai Ferry Pier will be temporarily closed from about 2.00 pm until the Wan Chai Ferry Pier is re-opened for public use.

7. Cross-boundary Coach Services

(a) Hong Kong Island

The terminus of the short-haul cross-boundary coach service plying between Wan Chai and Huanggang Port at the Exhibition Centre Station Public Transport Interchange will be suspended from about 5.30 pm onwards until the closed roads re-open to traffic. A temporary terminus will be provided at Hennessy Road westbound near Southorn Centre.

(b) Kowloon

The short-haul cross-boundary coach service plying between Jordan and Huanggang Port will add a temporary pick-up point at the coach pick-up and drop-off area at Wui Man Road outside Hong Kong West Kowloon Station from about 8.00 pm to 11.00 pm. The en-route stop of this service at China Ferry Terminal Bus Terminus will be also suspended from about 5.15 pm until the end of its service that night.

Apart from the above short-haul cross-boundary coach service, temporary bus stop arrangements and service adjustments may be implemented for other cross-boundary coach services in connection with the road closure arrangements. Members of the public can enquire about the details from relevant cross-boundary coach operators.

8. Central to Mid-Levels Escalator and Walkway System Services

The service of Central to Mid-Levels Escalator and Walkway System will be extended to 2.00 am on 2 October 2025.

III. Removal of Illegally Parked Vehicles

Motorists are advised that strict enforcements will be taken by the Police. Any vehicles found illegally parked within the precincts of the special traffic arrangements specified above will be towed away or ticketed by the Police without prior notice.

IV. Attention and Appeal

Appropriate traffic signs will be erected to guide motorists. Notices will also be displayed by public transport operators to advise passengers of the above temporary public transport arrangements. Adjustment of the above road closures and traffic diversions, or other ad-hoc traffic and public transport measures, including further closures of roads, traffic diversions, alterations and suspension of public transport services, will be implemented by the Police depending on the crowd and traffic condition in the areas.

Due to extensive road closure in the affected areas, the Transport Department anticipates that the traffic along Hong Kong Island North (including Causeway Bay, Wan Chai, Admiralty, Central and the Island Eastern Corridor), the vicinities of Tsim Sha Tsui and West Kowloon Cultural District in Kowloon, and Cross Harbour Tunnel as well as Aberdeen Tunnel will become significantly congested.

Members of the public who intend to go to the affected areas are advised to use public transport services as far as possible, plan their journey early and allow more traveling time to cater for unexpected delay. Bus and green minibus passengers are also advised to pay attention to the route diversions and temporary stop arrangements.

Members of the public are advised to watch out for the latest traffic news through radio and television broadcasts. For the details of the special traffic and transport arrangements, members of the public may browse Transport Department website at www.td.gov.hk or make use of the "HKeMobility" mobile application of Transport Department.

LEE Chung-yan, Angela *Commissioner for Transport*
