For details of the shuttle bus services, please refer to the organiser's website (https://hknmm.com/en/event-details#transportation).

V. ATTENTION AND APPEAL

Appropriate traffic aids will be erected to guide motorists and notices will be displayed by public transport operators to advise passengers of the temporary arrangements.

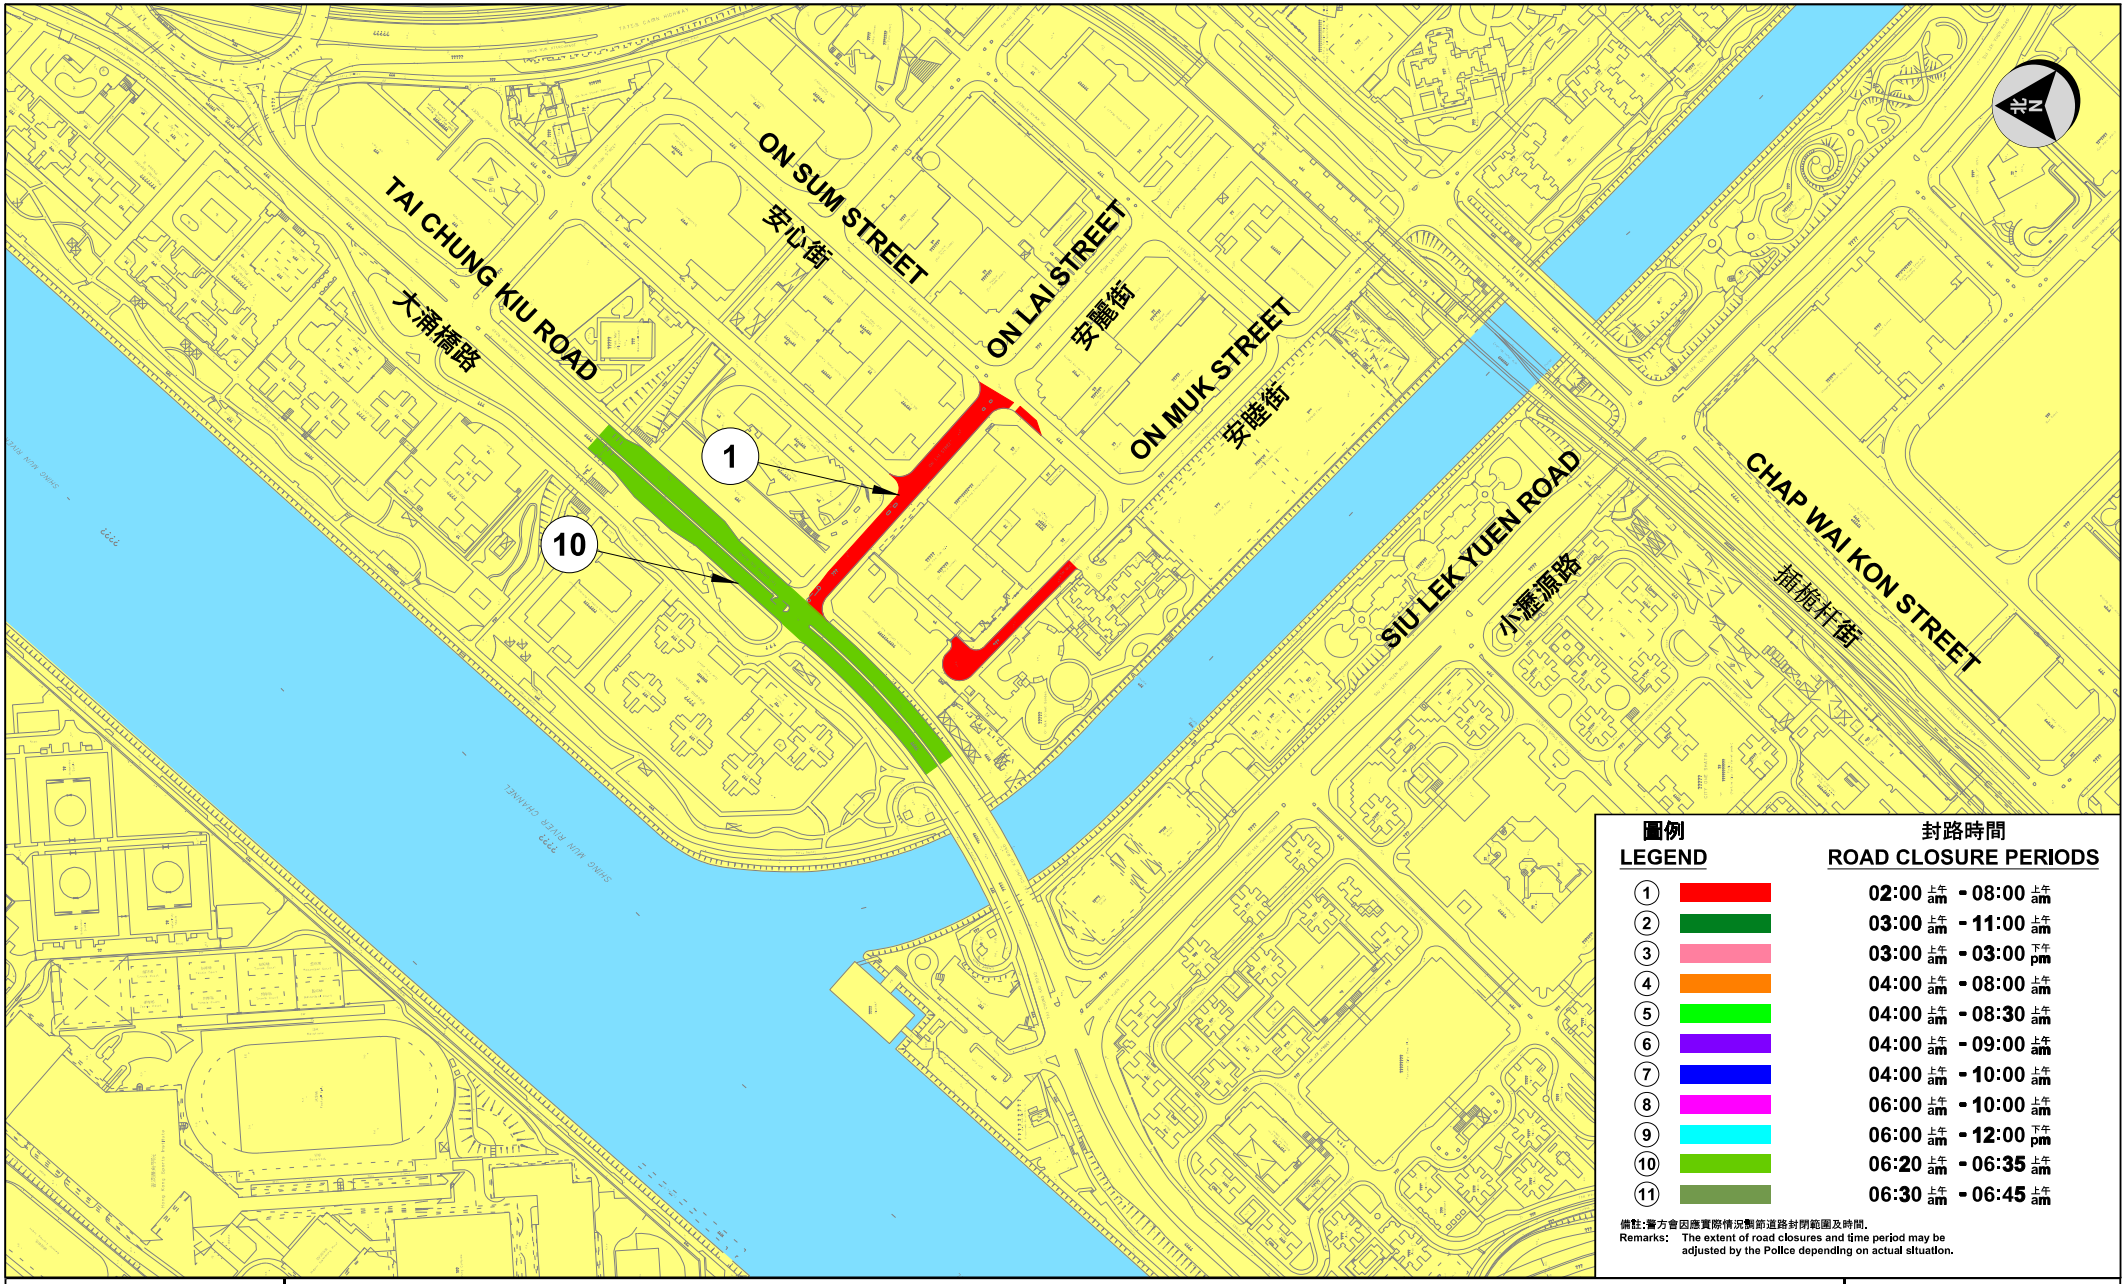

Vehicular access to and from car parks and hotels within the affected areas will not be allowed during the period of respective phases of road closures. Any vehicles found illegally parked within the precinct of the special traffic arrangements specified above may be towed away by the Police without prior notice.

Members of the public are advised to plan their routes early, use alternative routes and railway services as far as possible and allow more travelling time to cater for unexpected delay. Motorists are advised not to drive to the affected areas. In case of traffic congestion, motorists should exercise patience and drive with care, and follow the instructions of the Police on site. Public transport commuters are advised to pay attention to the arrangements of route diversions and changes of stop locations.

Members of the public and tourists heading for Heung Yuen Wai Port are advised to plan their journey early to avoid any delay caused by road closures and traffic diversions.

Depending on the prevailing circumstances, other ad-hoc traffic and public transport measures, including further closures of roads, traffic diversions, alterations and suspension of public transport services, may be introduced by the Police at short notice. Members of the public are advised to watch out for the latest traffic news on radio and television. For the details of the special traffic and transport information, members of the public may browse the website of TD at www.td.gov.hk or the "HKeMobility" mobile application.
