

## Traffic Advice

### Extension of Temporary Traffic and Transport Arrangement at Kam Sheung Road Station Public Transport Interchange, Yuen Long

To facilitate the construction works of Kam Sheung Road Station Property Development, the following temporary traffic and transport arrangements will continue to be implemented at Kam Sheung Road Station Public Transport Interchange until 31 December 2021. Details are as follows:

#### a) Road Closure

The section of the unnamed road between the vehicular ingress/egress of MTR Kam Tin Building and the roundabout at Tung Wui Road will be closed to all vehicular traffic.

#### b) Transport Arrangement

The affected bus stops and GMB stops outside Exit D of Kam Sheung Road Station will continue to be relocated to the Temporary Public Transport Interchange with details listed in the table below (Please refer to **Figure 1**):

	<b>Direction</b>	<b>Location</b>
GMB Route No.: 601 & 601B	To Pak Wai Tsuen	Relocate to the fifth easternmost bay of the Kam Sheung Road PTI
GMB Route No.: 620	To Park YOHO	Relocate to the westernmost bay of the Kam Sheung Road PTI
GMB Route No.: 601C	To the Riva	
GMB Route No.: 608	To Wang Toi Shan	
KMB Bus Route No.: 251B	To Sheung Tsuen	Relocate to the fourth easternmost bay of the Kam Sheung Road Station PTI
KMB Bus Route No.: 251B	To Pat Heung Road	Relocate to the third easternmost bay of the Kam Sheung Road Station PTI

Lay-bys for picking up and setting down of passengers are available at the following locations: (Please refer to **Figure 2** and **Figure 3**)

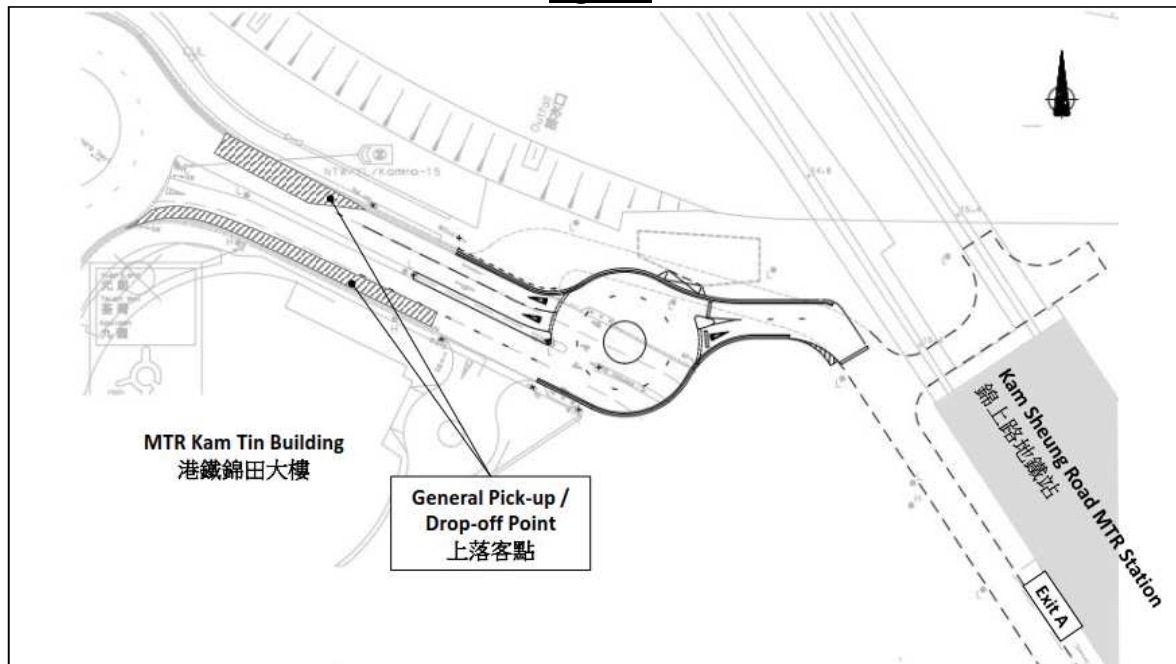

- (a) The unnamed road outside MTR Kam Tin Building; and
- (b) The northern kerbside lane of Tung Wui Road between Kam Po Road and Kam Wui Road.

Appropriate traffic signs have been erected on site to guide motorists. The operators of the public transport services will put up notices to advise passengers of the above arrangement.
