

TRAFFIC ADVICE

Kowloon Green Minibus (GMB) No. 87 (Lei Yue Mun Public Transport Interchange – Kowloon Bay (Kai Yan Street) (Circular)) - Amendments of Service -

Members of the public are advised that the service of Kowloon GMB No. 87 will be amended with effect from 19 November 2017 (Sunday) with details as follows:

1. Routeing

Service heading for Kowloon Bay (Kai Yan Street) will be diverted vide Lam Hing Street and Wang Kwong Road by omitting Kai Cheung Road, slip road, Kai Cheung Road, Kai Shing Street and Kai Wah Street, then turning right to Kai Lai Road and resuming to the original routeing.

2. Stopping Points Re-arrangement

The existing stopping points at Kai Cheung Road westbound outside HSBC Main Treasury; Kai Cheung Road eastbound outside EMSD Headquarters; and Kai Wah Street eastbound opposite to Skyline Tower will be cancelled. Affected passengers can alternatively use the new stopping points provided at Lam Hing Street westbound outside KMB Bus Depot or at Wang Kwong Road northbound outside Skyline Tower.

The operating hours, headway, full and section fares will remain unchanged. The GMB operator will put up notices to advise passengers of the above public transport service amendments accordingly.
