### **III. Attention and Appeal**

Appropriate traffic signs will be erected to guide motorists. Public transport operators will display notices to advise passengers of the above temporary arrangements. Motorists are advised that any vehicles found illegally parked within the precincts of the above affected areas will be towed away without prior notice. Actual implementation of the road closure, traffic control and public transport diversions will be made by the Police at the time depending on the prevailing circumstances, traffic and crowd conditions in the above areas.

Members of the public should pay attention to the road closures and public transport arrangements in the above areas at Kai Fuk Road westbound, Kai Tak Tunnel westbound, East Kowloon Corridor westbound, Kwun Tong Bypass (Lei Yue Mun bound), vicinities of Kowloon Bay Business Area and Hoi Bun Road in Kowloon East respectively. Members of the public heading to the affected area are advised to plan their journey early and allow more travelling time to cater for unexpected delay. Members of the public are also advised to avoid driving to the affected areas. For public transport commuters, they should pay attention to the arrangements of route diversions and suspension of stops. Motorists should exercise tolerance and patience in case of traffic congestion, take heed of instruction of the Police and watch out for the latest traffic news through media.

Taxi and public light bus drivers who will go to Cheung Yip Street for refilling are advised to take note of the road closures and traffic diversions arrangements implemented in the above areas.
