

**Transport Department Notice**  
**Traffic and Public Transport Arrangements for Kai Tak Hospital**

Notice is hereby given that, to facilitate the commissioning of Kai Tak Hospital (KTH) on 5 October 2026 (Monday), the following traffic and public transport arrangements will be implemented by phase on 28 September 2026 (Monday) and 5 October 2026 (Monday) respectively, to provide convenience for members of public and staff accessing to KTH:-

**I. Traffic Arrangements**

Appropriate traffic signs have been erected on the road sections near KTH to guide motorists and pedestrians to access KTH. Vehicles travelling to KTH from Kowloon Central, Kowloon East, or Kowloon West can access the hospital at Shing Cheong Road via Kai Tak Bridge Road, Cheung Yip Street, or Kai Tak Cruise Terminal Exit (no.3A) of the Central Kowloon Bypass (Yau Ma Tei Section) respectively.

**II. Public transport arrangements**

(a) With effect from 28 September 2026 (Monday)

i) Introduction of franchised bus routes via KTH

ii) Re-routeing of GMB routes

Kowloon GMB Route Nos. 86, 88A, 90A and 90B would be re-routed via a section of Shing Cheong Road outside the Specialist Out-patient Clinic Block and Oncology Block of KTH, and observe the GMB stop inside the hospital area. Besides, GMB Route Nos. 22A and 68 will also observe the GMB stop on Cheung Yip Street near KTH.

Overall, there will be a total of 10 franchised bus and 6 GMB routes serving the KTH area, providing direct access for members of the public from all districts in Kowloon or nearby MTR stations (including Kai Tak, Kowloon Bay, Sung Wong Toi, To Kwa Wan, Wong Tai Sin, Ngau Tau Kok, Kwun Tong and Yau Tong) to the KTH area. Details of the relevant routes are set out in the **Annex**.

In addition, to further assist persons with disabilities who have difficulty using conventional public transport, the Rehabus operator will provide a Feeder Service for KTH starting from October 5, enabling those in need to travel between MTR Kai Tak and Lok Fu Stations and the KTH area. At the neighboring Kowloon Bay Business Area, over 40 franchised bus and green minibus routes have en-route stops near Kai Fuk Road or Zero Carbon Park. Passengers can access KTH via the covered footbridge after alighting with equal convenience.

### **III. Attention and Appeal**

The public transport operators will display notices to advise passengers of the relevant arrangements.

Members of the public may refer to the TD's HKeMobility mobile app to plan their journeys in advance, and check point-to-point routes for public transport, driving and walking routes, and heed the latest traffic news via radio and television broadcasts, the TD's website ([www.td.gov.hk](http://www.td.gov.hk)) and HKeMobility.
