#### IV. ATTENTION AND APPEAL

Actual implementation of the road closure, traffic control and public transport diversions will be made by the Police at the time depending on the prevailing circumstances, traffic and crowd conditions in the areas. Notices will be put up by public transport operators to advise passengers of the above special transport arrangements.

The regularity of the public transport services may be affected during the road closure. Passengers are advised to pay particular attention to the arrangements of route diversions and suspension / relocation of stops. Members of the public are advised to plan their routes early, use alternate routes and allow more travelling time to cater for unexpected delay.

CHAN Mable *Commissioner for Transport*
