III. ATTENTION AND APPEAL

Notices will be put up by public transport operators to advise passengers of the above temporary arrangements. Actual implementation of the road closure, traffic control and public transport diversions will be made by the Police at the time depending on the prevailing circumstances, traffic and crowd conditions in the areas. Motorists are advised that strict enforcement on illegal parking, including multiple ticketing and towing, will be taken by the Police in the affected areas.

The public heading to the affected area is advised to plan their journey early and allow more travelling time to cater for unexpected delay. The public is also advised to avoid driving to the affected areas. For public transport commuters, they should pay attention to the arrangements of route diversions and suspension of stops. Motorists should exercise tolerance and patience in case of traffic congestion, take heed of instruction of the Police and watch out for the latest traffic news through media.

For details of traffic and transport information, the members of the public can dial Government hotline 1823 or browse Transport Department website: www.td.gov.hk
