

Traffic Advice

Determination and Delineation of Boundaries of Expressways

Motorists are advised that the roads and the unleased Government land which is not a road immediately adjacent thereto listed in the second column below have been designated as expressways in G.N. 8028 published on 19 October 2018. The boundaries of each of the expressways have subsequently been determined. The boundaries of the relevant expressways are delineated in the plans deposited in the Land Registry for public inspection. The number of the plan relating to each of the relevant expressways is shown in the third column below.

Appropriate traffic signs are provided on site to guide the motorists.
