## **IX. ATTENTION AND APPEAL**

Appropriate traffic aids will be erected to guide motorists and notices will be displayed by public transport operators to advise passengers of the temporary arrangements.

Members of the public should pay attention to the road closures and public transport arrangements in New Territories South, Tsim Sha Tsui areas, Island Eastern Corridor, and other major roads on Hong Kong Island, such as Central Ferry Piers areas, Lung Wo Road, Lockhart Road, East Point Road, Great George Street and in the vicinity of Paterson Street shopping areas.

Members of the public are advised to plan their routes early, use alternate routes and allow more travelling time to cater for unexpected delay. Bus and other public transport commuters are advised to pay attention to the arrangements of route diversions and suspension / relocation of stops.

The Transport Department anticipates that the traffic at King's Road, Shau Kei Wan Road, Gloucester Road, Connaught Road Central, roads in the vicinity of Central Ferry Piers, Queensway and Hong Kong bound Cross Harbour Tunnel will be very congested. Motorists are advised not to drive to the affected / congested areas, especially Central and Causeway Bay unless really necessary and should exercise tolerance and patience in cases of traffic congestion and follow instructions given by the Police.

Taxi and public light bus drivers who will go to Wan Chai North for refilling are advised to take note of the road closure arrangements implemented in the area.

Depending on the prevailing circumstances, other ad-hoc traffic and public transport measures, including further closures of roads, traffic diversion, alterations and suspension of public transport services, may be introduced by the Police at short notice. Members of the public are advised to watch out for the latest traffic news on radio and television.
