Appropriate traffic aids and signs will be provided to guide motorists. Public transport operators will also display notices to advise passengers of the above temporary arrangements. Actual implementation of and adjustments to road closures, traffic control and public transport diversions will be made by the Police at the time depending on conditions in the areas.

Members of the public are advised to avoid driving to the affected areas. Motorists should exercise tolerance and patience in cases of traffic congestion, observe the instructions given by the Police; and watch out for the latest traffic news through media.

spaces on-street unless the vehicles are parked at designated parking spaces which are not charged on Sundays and public holidays.
