Members of the public are advised to plan their routes early, use alternate routes and allow more travelling time to cater for unexpected delay. Bus and other public transport commuters are advised to pay attention to the arrangements of route diversions and suspension / relocation of stops.

The Transport Department anticipates that the traffic in Wan Chai, Causeway Bay, Victoria Park Road, King's Road, Shau Kei Wan Road, Gloucester Road, Connaught Road Central, roads in the vicinity of Central Ferry Piers, Queensway, Hong Kong bound Cross Harbour Tunnel, Wan Chai bound Aberdeen Tunnel and Kowloon bound Lantau Link will be very congested. Motorists are advised not to drive to the affected / congested areas, especially Central, Wan Chai and Causeway Bay unless really necessary and should exercise tolerance and patience in case of traffic congestion and follow instructions given by the Police.

Taxi and public light bus drivers who will go to Wan Chai North for refilling are advised to take note of the road closure arrangements implemented in the area.

Depending on the prevailing circumstances, other ad-hoc traffic and public transport measures, including further closures of roads, traffic diversion, alterations and suspension of public transport services, may be introduced by the Police at short notice. Members of the public are advised to watch out for the latest traffic news on radio and television.

YEUNG HO Poi-yan, Ingrid *Commissioner for Transport*
