### **REMOVAL OF ILLEGALLY PARKED VEHICLES**

Motorists are advised that strict enforcements will be taken by the Police, including multiple ticketing and towing of vehicles found illegally parked within the precinct of the special traffic arrangements specified above, without prior notice.

### **ATTENTION AND APPEAL**

Appropriate traffic signs will be erected to guide motorists. Public transport operators will also display notices to advise passengers of the above temporary arrangements. Actual implementation of and adjustments to road closures, traffic control and public transport diversions will be made by the Police at the time depending on conditions in the areas.

To boost the turnover rate of on-street parking spaces, motorists are advised to avoid long-term parking at designated parking spaces during Lunar New Year holidays. Moreover, motorists are advised to pay parking fees for all vehicles parked at metered parking spaces on-street unless the vehicles are parked at designated parking spaces which are not charged on Sundays and public holidays.

Members of the public who intend to go to the affected areas are advised to use public transport services as far as possible, plan their journey early and allow more traveling time to cater for unexpected delay. Members of the public are advised to avoid driving to the affected areas. Motorists should exercise tolerance and patience in case of traffic congestion, observe the instruction given by the Police; and watch out for the latest traffic news through media.

For enquiries on special traffic and transport arrangements, members of the public can call 1823 or browse through Transport Department website [www.td.gov.hk](http://www.td.gov.hk) for more details.
