

Manage the receipt of HKeToll electronic notifications

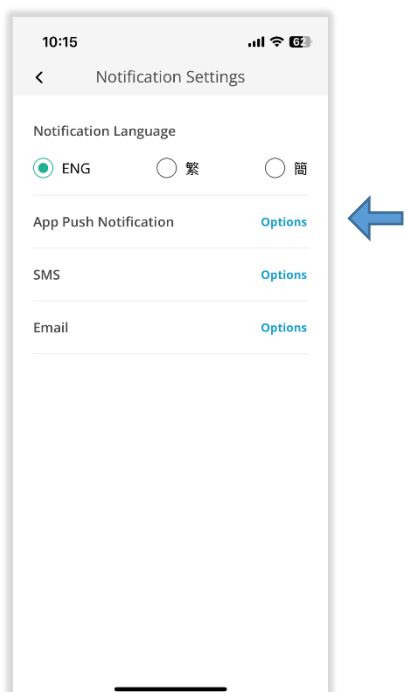

Step 1:
Log in the HKeToll account and tap the settings icon in the top right corner of the main menu.

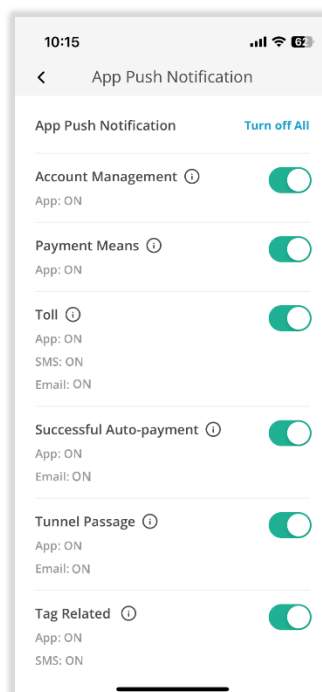

Step 2:
Select “Notification Settings”.

Step 3:
On the “Notification Settings” page, find the “App Push Notification” section and click “Options”.

Step 4:
Choose to enable or disable App push notification. Please ensure your mobile device allows push notifications from the HKeToll Mobile App.

Step 5:

On the home page, tap the notification icon to read the electronic notifications.
