Radio API VOICEOVER SCRIPT

Ref. No. : TD/3/2026
Topic : 節日過境旅客應盡早計劃行程
Cross-boundary travellers should plan their journeys in advance during festive periods

Cantonese V/O Script:

男旁白： 運輸署提提你：喺長假期，各個口岸都會較為繁忙。過境前最好先計劃行程，避開繁忙時段，同盡量使用載客量較高嘅鐵路服務。如果選擇其他陸路公共交通服務，無論係往來各邊境管制站嘅跨境巴士服務（包括港珠澳大橋金巴），抑或係其他本地專營巴士及專線小巴等服務，都係揀非繁忙時間過關好啲。

Putonghua V/O Script:

男旁白： 運輸署提醒你：長假期的時候，各個口岸都會比較繁忙。過境前最好先計劃行程，避免在繁忙時段出發，儘量使用載客量較高的鐵路服務。如果選擇搭乘陸路公共交通工具，不論是往返各口岸的跨境巴士（包括港珠澳大橋金巴），或是其他本地專營巴士和專線小巴等，都應儘量在非繁忙時段過境。

English V/O Script:

MVO: Travellers crossing the boundary during major holidays are reminded to plan their journeys in advance and avoid crossing the boundary at peak hours. Use rail services which have a higher carrying capacity as far as possible. Those using other land-based public transport services heading to various boundary control points, such as cross-boundary coaches (including the Gold Bus on the Hong Kong-Zhuhai-Macao Bridge), or other local franchised buses and green minibuses should also avoid travelling at peak hours.
