

1 *What is a Personalized Vehicle Registration Mark*

- A personalized vehicle registration mark shall consist of not more than 8 letters and/or numerals. "I", "O" and "Q" are not allowed. A blank space will be counted as a character; more than one blank space is allowed in a personalized vehicle registration mark but there shall be not more than one blank space between any 2 letters and/or numerals;
- There shall be no more than 4 identical letters or numerals placed together side by side in a personalized vehicle registration mark;
- A personalized vehicle registration mark may be displayed in a single row or in two rows, and the display must be in accordance with the approved format(s). If it is displayed in two rows, the maximum number of letters, numerals and/or blank spaces in each row is 4; and
- Personalized vehicle registration mark combinations must not duplicate existing vehicle registration marks or be of similar pattern to existing forms of vehicle registration marks or permit/licence numbers and they must not duplicate the registration marks reserved for certain vehicles.
