

GMB Real-time Arrival Information at your fingertip

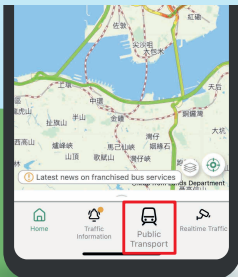

To facilitate passenger's trip planning, the Transport Department (TD) is launching the Green Minibus (GMB) Real-time Arrival Information System. Passengers can check the estimated time of arrival of the next three GMBs through the new version of TD's mobile application "HKeMobility" in just three steps.

The TD has disseminated the real-time arrival information of GMBs in phases starting from December 2020, with a view to achieving full implementation in 2022. Passengers can visit the TD's website of a list of the GMB routes covered at the moment (www.td.gov.hk).

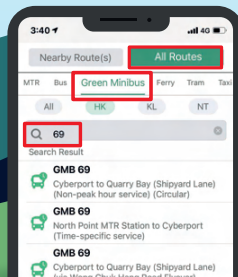

Step 1

Click "Public Transport" at the bottom

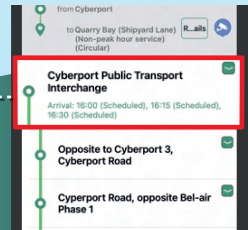

Step 2

Click "All routes" and "Green Minibus", input GMB Route number

Step 3

Choose among the GMB stops to show the estimated arrival time

Check the estimated arrival time of the next GMBs

Download the HKeMobility mobile application now to experience the new features.
