Notes : (1) This table includes Transport Department multi-storey car parks only. Other Government non multi-storey car parks are excluded from the table. Besides, this table covers parking statistics in respect of private cars and vans.

(2) Including only public parking spaces managed by the Transport Department.

(3) Utilization rate is a ratio between the space-hours taken up by vehicles in a car park during its operating period (24 hours each day) in a month and the total space-hours available in the car park during the period.
