

Invitation for Expression of Interest (“EOI”)
for Operating the Rehabus Feeder Service

The Transport Department of the Hong Kong Special Administrative Region Government (“TD”) invites interested parties (Proponents) to indicate their interest in operating the following Rehabus feeder service in two phases:

Phase 1 : from 2019-20 onwards

A. Hospital/Clinic Feeder Routes

Hong Kong Island

1. Queen Mary, The Duchess of Kent Children’s Hospitals route
2. Eastern Hospital route
3. Southern District route
4. Tang Shiu Kin and Ruttonjee Hospitals route

Kowloon

5. Kowloon City route
6. Queen Elizabeth, Kwong Wah, St. Teresa’s and Hong Kong Buddhist Hospitals route
7. United Christian Hospital route
8. Hong Kong Children’s Hospital route

New Territories East

9. Shatin route

10. Tai Po and Alice Ho Miu Ling Nethersole Hospitals route

New Territories West

11. Tuen Mun Hospital route

12. Princess Margaret Hospital route

B. Recreational Routes

13. Lantau route

14. Stanley route

Phase 2 : from 2020-21 onwards

The operation of the following tentative routes :

- (a) Hong Kong Island: 2 routes for serving Wong Chuk Hang Hospital/Grantham Hospital and Tsan Yuk Hospital;
- (b) Kowloon: 1 route for serving Caritas Medical Centre;
- (c) New Territories East: 1 route for serving North District Hospital; and
- (d) New Territories West: 4 routes for serving Pok Oi Hospital, Yan Chai Hospital, Tin Shui Wai Hospital and North Lantau Hospital.

The routes mentioned in Phase 1 are existing services provided to the Persons with Disabilities (PwDs) while routes 4, 8 and 10 of Phase 1 are currently under planning. The successful Proponent will operate the Rehabus Feeder Service in accordance with a Memorandum of Understanding (MOU) setting out the

general principles and guidelines governing the role of the service provider and the administrative arrangements of the Government for such operation to be signed between the Government as represented by TD and the successful Proponent at a later stage.

2. In Phase 1, the successful Proponent will operate the Feeder Service by using 12 rehabuses to be allocated by the Government. In Phase 2, the successful Proponent will subject to the satisfactory performance of the Proponent under Phase 1 and availability of funding, be provided with an additional of 8 rehabuses. The successful Proponent will receive direct Government subvention in return for the provision of the Rehabus services. All the fares of the Rehabus services collected should be kept by the Proponent for covering part of its expenditures for operating Rehabus services.

3. The Proponent must be an entity, which could either be a transport operator which will form a non-profit making organisation, or an existing non-profit making organisation with the personnel possessing experiences in managing and operating transport services to provide part of the Rehabus service. In short, the Proponent must be eligible for receiving direct subvention from the Government. A non-profit making organisation must be a bona fide non-profit making charitable organisation exempted from tax under Section 88 of the Inland Revenue Ordinance (Cap. 112 of the Laws of Hong Kong). According to Section 88 of the Inland Revenue Ordinance, charitable institutions or trusts of a public character are exempted from tax. In processing tax exemption applications of charitable institutions, the Inland Revenue Department has all along made reference to the case law in the common law. In brief, tax-exempt charitable institutions must be of a public character and established solely for charitable purposes recognised by the law. According to case law, charitable purposes include (a) relief of poverty; (b) advancement of education; (c) advancement of religion; and (d) other purposes of charitable nature that are beneficial to the community.

4. If there is more than one Proponent showing interest in operating the Rehabus Feeder Services in response to this Invitation for EOI, the Government will conduct an open tendering exercise to select the most appropriate service provider to provide the Services. For operating the Rehabus Feeder Services,

the successful Proponent will be required to:

- (a) sign an MOU with the Government in form and substance to be determined by the Government; and
- (b) commence the operation of the Rehabus Feeder Service from 1 April 2019 or such date as may be specified by TD.

Submission of proposals

5. The proposals submitted by any Proponent in this EOI should include such forms as specified below:

- (a) indicating its interest in operating the Rehabus service as in the format set out in Annex 1;
- (b) providing its particulars, including without limitation experience and competence in public transport operations and management as in the format set out in Annex 2; and
- (c) providing the staff required and recurrent resource required as set out in the format set out in Annex 3(i) and (ii).

Reference materials

6. The information on the operational arrangements of the existing Rehabus services is provided in Annex 4 for the reference of the Proponent. This is the minimum requirements for the level of Rehabus services to be operated by the Proponent.

7. The specified submission forms (Annexes 1 to 3) and the reference materials (Annex 4) are available for collection from 23 July 2018 (Monday) to 10 August 2018 (Friday) during office hours (9.30 a.m – 6.00 p.m., Monday to Friday (except public holidays) at the following address:

Ferry and Paratransit Division,
Transport Department,
Room 2014, 20/F., Harcourt House,
39 Gloucester Road,
Wan Chai,
Hong Kong

8. All EOI submissions and proposals should be placed in a sealed envelope clearly marked with “EOI for Operating the Rebus Services” and should reach TD at the aforesaid address on or before 12.00 noon, 10 August 2018 (Friday). In case a black rainstorm warning or typhoon signal No. 8 or above has been issued between 9.00 a.m. and 12.00 noon on 10 August 2018, the submission closing time will be extended to 12.00 noon of the following working day. Late submissions will not be accepted. For the purpose of this paragraph, “working day” means a day excluding any Saturdays, public holidays within the meaning of the General Holidays Ordinance (Cap. 149 of the Laws of Hong Kong), and a day on which a black rainstorm warning or typhoon signal No. 8 or above has been issued between 9.00 a.m. and 12.00 noon.

Purpose of invitation for EOI

9. This EOI exercise is not a tender exercise, nor part of a tender exercise. Neither this EOI exercise nor any submission received by the Government in this exercise constitutes an offer or the basis of any contract which may be concluded, nor are any of these documents binding on the Government.

Government’s rights and disclaimers

10. The submission of an EOI or proposal by a Proponent shall be taken to be an acceptance of the terms of invitation of this EOI exercise.

11. The Government reserves the right to change any of the operational arrangements and any other specifications for the Rebus Feeder Services in this Invitation for EOI and in any future tender exercise for their procurement or cancel this EOI exercise and not to consider any proposal or not to grant any operation right.

12. All costs and expenses involved in the preparation and submission of the EOI in response to this invitation shall be borne solely by the Proponents.

13. All information and statistics contained in this invitation and the attached specified forms are provided to facilitate the Proponents' preparation of their proposals only. The Government does not warrant or represent (whether expressly or impliedly) as to the correctness, accuracy, completeness, reliability, timeliness or fitness for a particular purpose of any such information and statistics. In particular, but without prejudice to the generality of the foregoing, no representation or warranty is given as to the achievement or reasonableness of any future projections or estimates contained in the Invitation for EOI. Nothing in the Invitation for EOI nor in any other written or oral information which is, has been or will be provided or made available to any Proponent should be relied on as a representation, statement or warranty as to the intentions, policy or action in future of the Government, its officers or agents. The Government does not accept any liability to any person howsoever caused by the use of or reliance on any such information and statistics. The Proponents should conduct their own independent assessment of the information and statistics contained in this invitation document and seek professional advice if they deem necessary.

14. The participation of the Proponents in the EOI shall be entirely at their own risk. The Government will not under any circumstances be liable to any of the Proponents for any costs, expense, loss or damage whatsoever arising out of or in connection with the EOI irrespective of whether the Government actually proceeds with the procurement of the Rehabus Feeder Services.

Personal data of Proponents

15. The personal data of the Proponents and of any individual provided as part of the EOI submission (collectively referred to as "personal data" in paragraphs 15 to 17) will be used by the Government for the purposes of processing the EOI submission, and all other purposes necessary for or directly related to the said purposes including but not limited to the resolution of any dispute arising from the EOI submission.

16. By submission of an EOI, the Proponent acknowledges and consents and has ensured that the individuals who are the subject of personal data have acknowledged and consented that personal data provided in the EOI submission may be disclosed to other Government Bureaux and Departments, the Legislative Council, the District Councils, non-governmental organizations and data access applicants under the Code of Access to Information.

17. The Proponent and the individuals who are the subject of personal data have the right of access and correction with respect to personal data as provided for in Sections 18 and 22 of the Principle 6 of Schedule 1 to the Personal data (Privacy) Ordinance (Chapter 486 of the Laws of Hong Kong).

18. Enquiries concerning the personal data collected by means of this EOI exercise, including the making of access and corrections, should be addressed to
