Topic : 兒童束縛設備規定

Child Restraining Device Regulation

### **Chinese Subtitles:**

私家車上 8 歲以下兒童必須使用兒童束縛設備

如兒童身高達 1.35 米或 8 歲或以上兒童

則必須使用兒童束縛設備或安全帶

違反上述規定的司機最高可判處罰款 2,000 元

在選擇兒童束縛設備時

應考慮產品適用的身高及體重

留意產品標記是否符合認可標準

並按指引安裝

如選擇安全帶調節器、穿戴式安全約束背心或可折疊幼兒增高座位等設備

應留意這類設備的兩側沒有保護墊及椅背

他們的保護能力會不及兒童安全座椅

## **English Subtitles:**

Children aged below 8 must use child restraining devices in private cars

Children with a body height of at least 1.35 m or aged 8 or above

Must either use a child restraining device or seat belt

Drivers contravening the above requirements are liable to a maximum fine of \$2,000

When choosing a child restraining device

Consider the height and weight range for which the product is suitable

Check whether the marking of product complies with approved standard

Follow the installation guidelines

When choosing a seat belt adjuster, wearable safety restraint vest or foldable booster etc.

Pay attention that these devices do not have protective pads and seat backs on both sides

The protection capabilities of these devices are not as good as those of child safety seats
